

I, DARK SECTION (Project Superintendent), have read and understand the PAUSE (Prevent All Unplanned Service Events) procedure as herebefore noted. I understand that if these procedures are not followed, one or all of the following may occur:

1. Individual persons may be dismissed and not be allowed to return to any VERIZON facilities.
2. Company may be placed on indefinite probation and, in the event of any future occurrences, will be removed from the Approved Bidders List.
3. Company may be immediately dismissed from the project and, in addition, be removed from Approved Bidders List.
4. Company may be subject to reimburse all expenses caused by event to all affected parties.
